Goal of the presentation

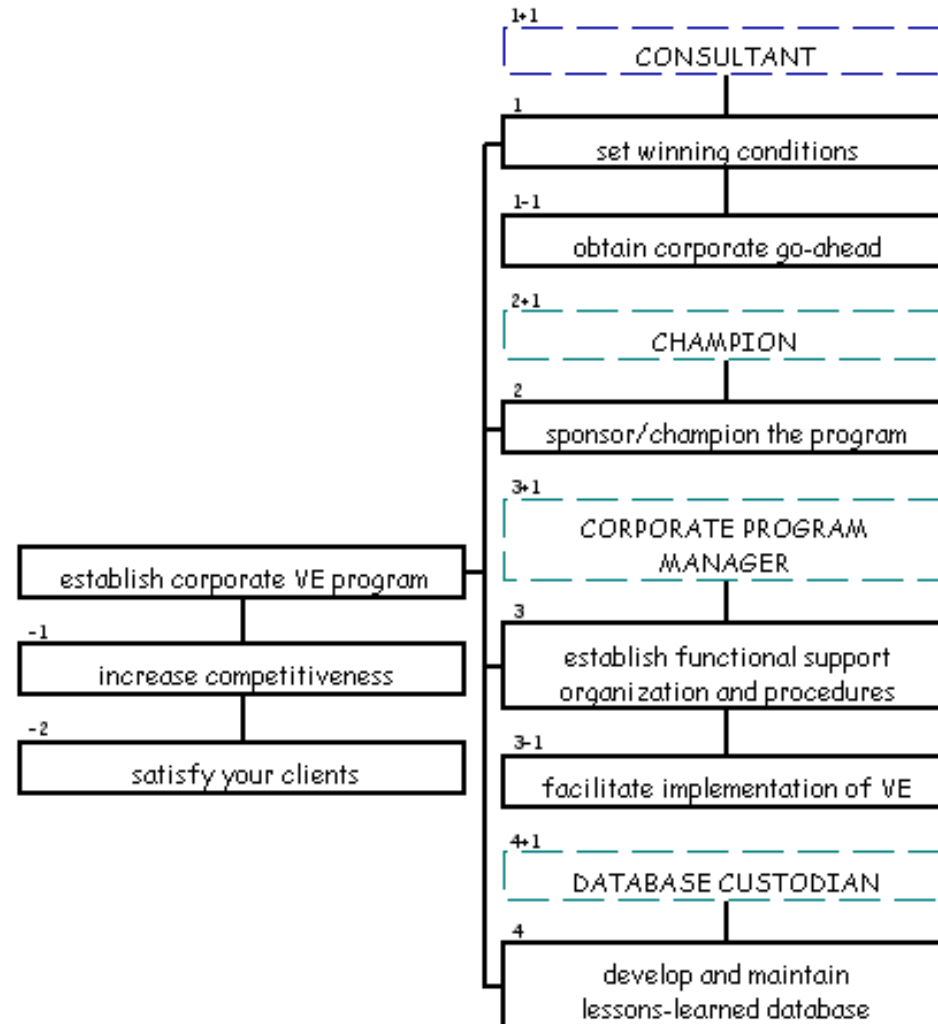

- Make you aware of the stakes in implementing a VE program
- Share what we've learned while doing so

Agenda

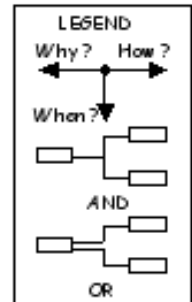

- High level point of view
- Detail level
- Roles and responsibilities
- Questions and answers

Top level

Establishing a corporate VE program

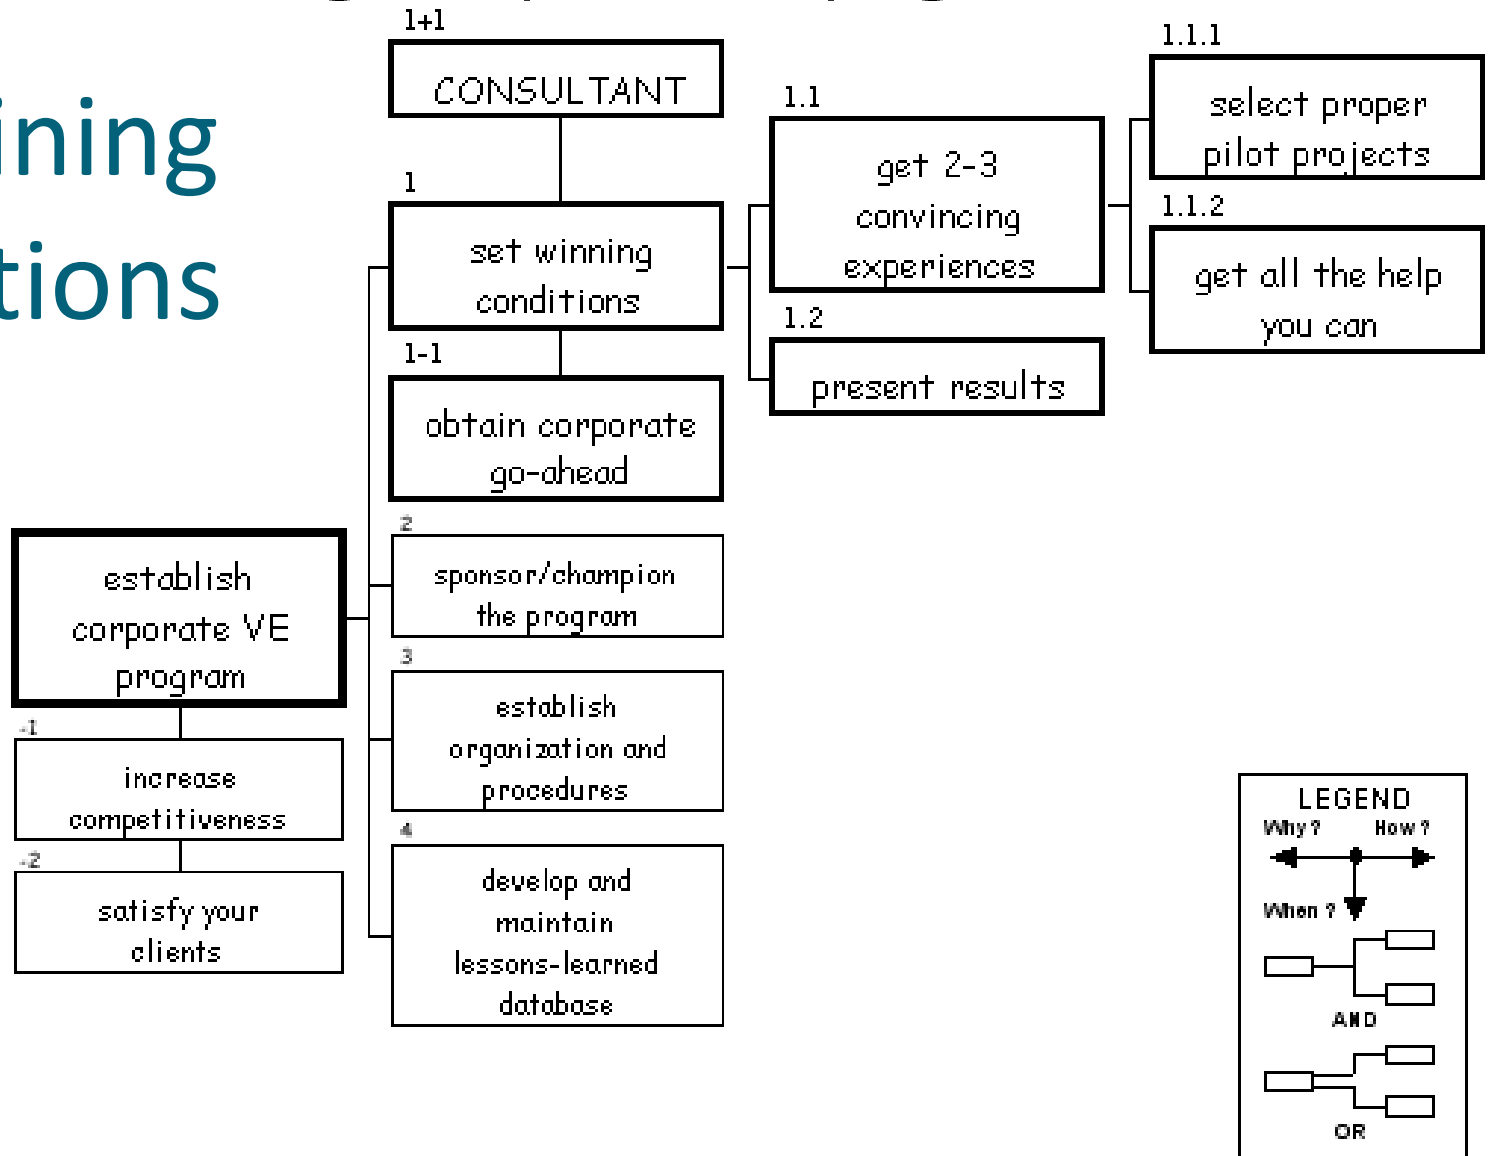

A single individual may serve all 3 roles or these positions may be split between 2-3 persons
It is unlikely each of the 3 roles will require a full-time position.

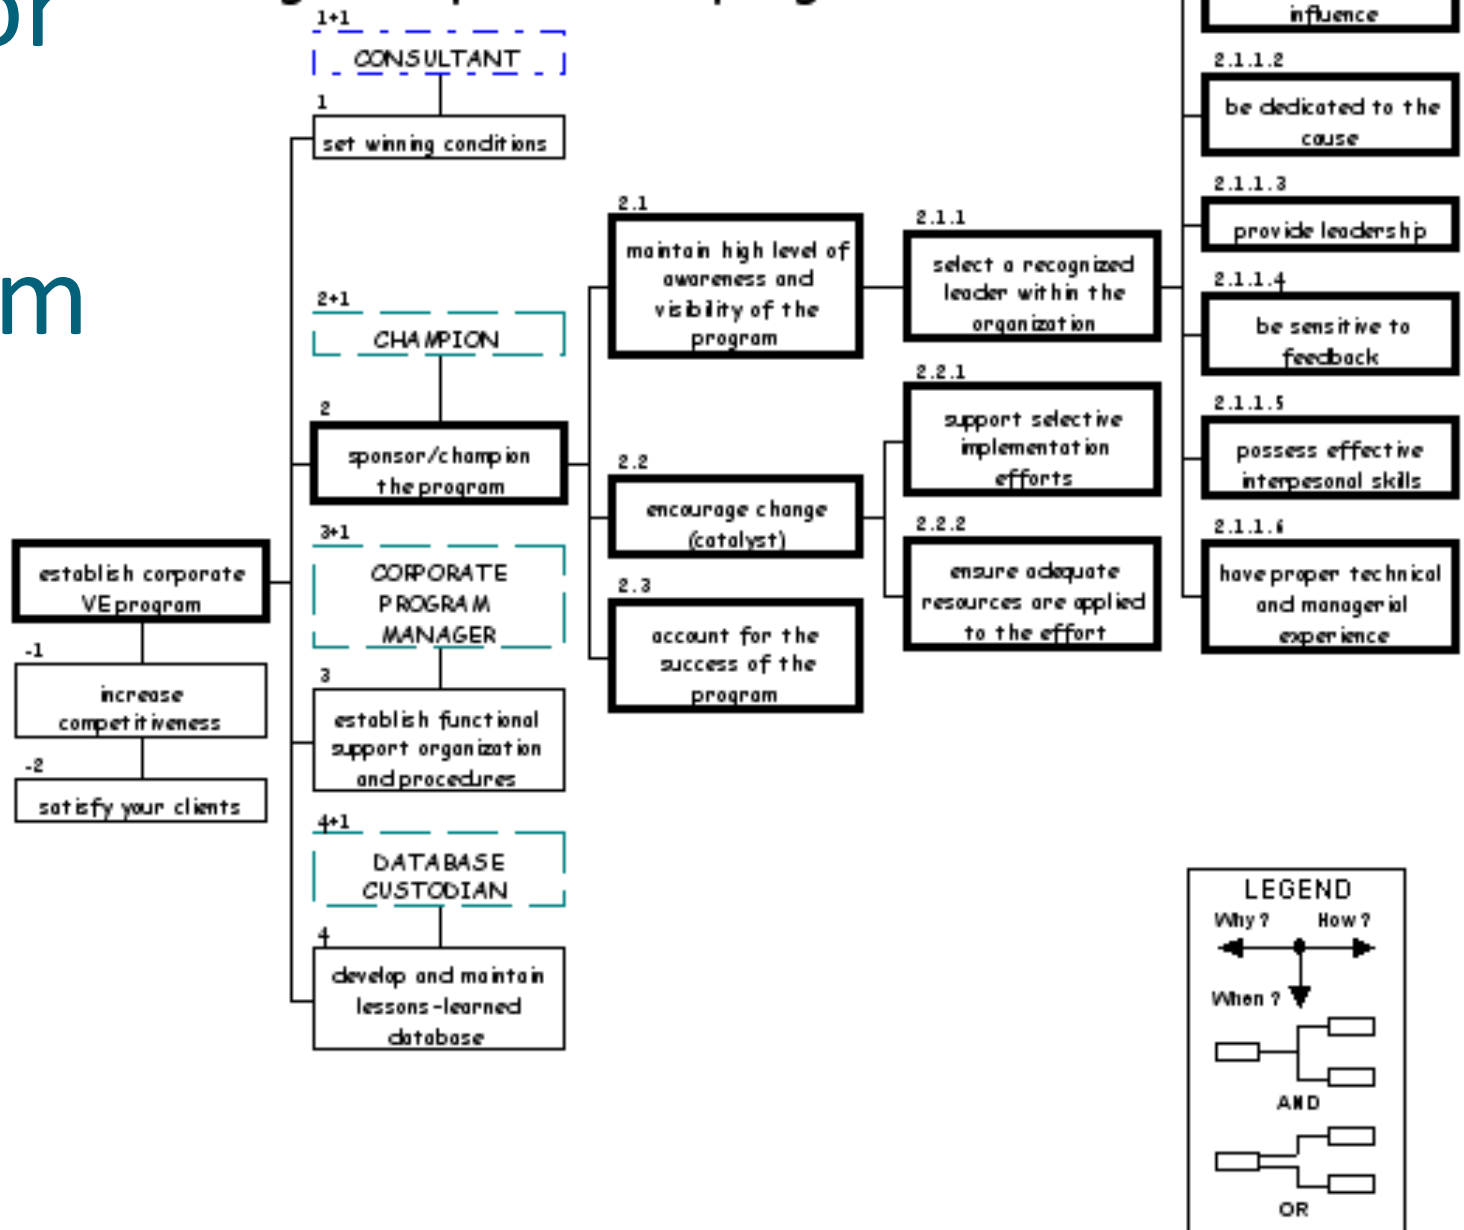

Establishing a corporate VE program

Set winning conditions

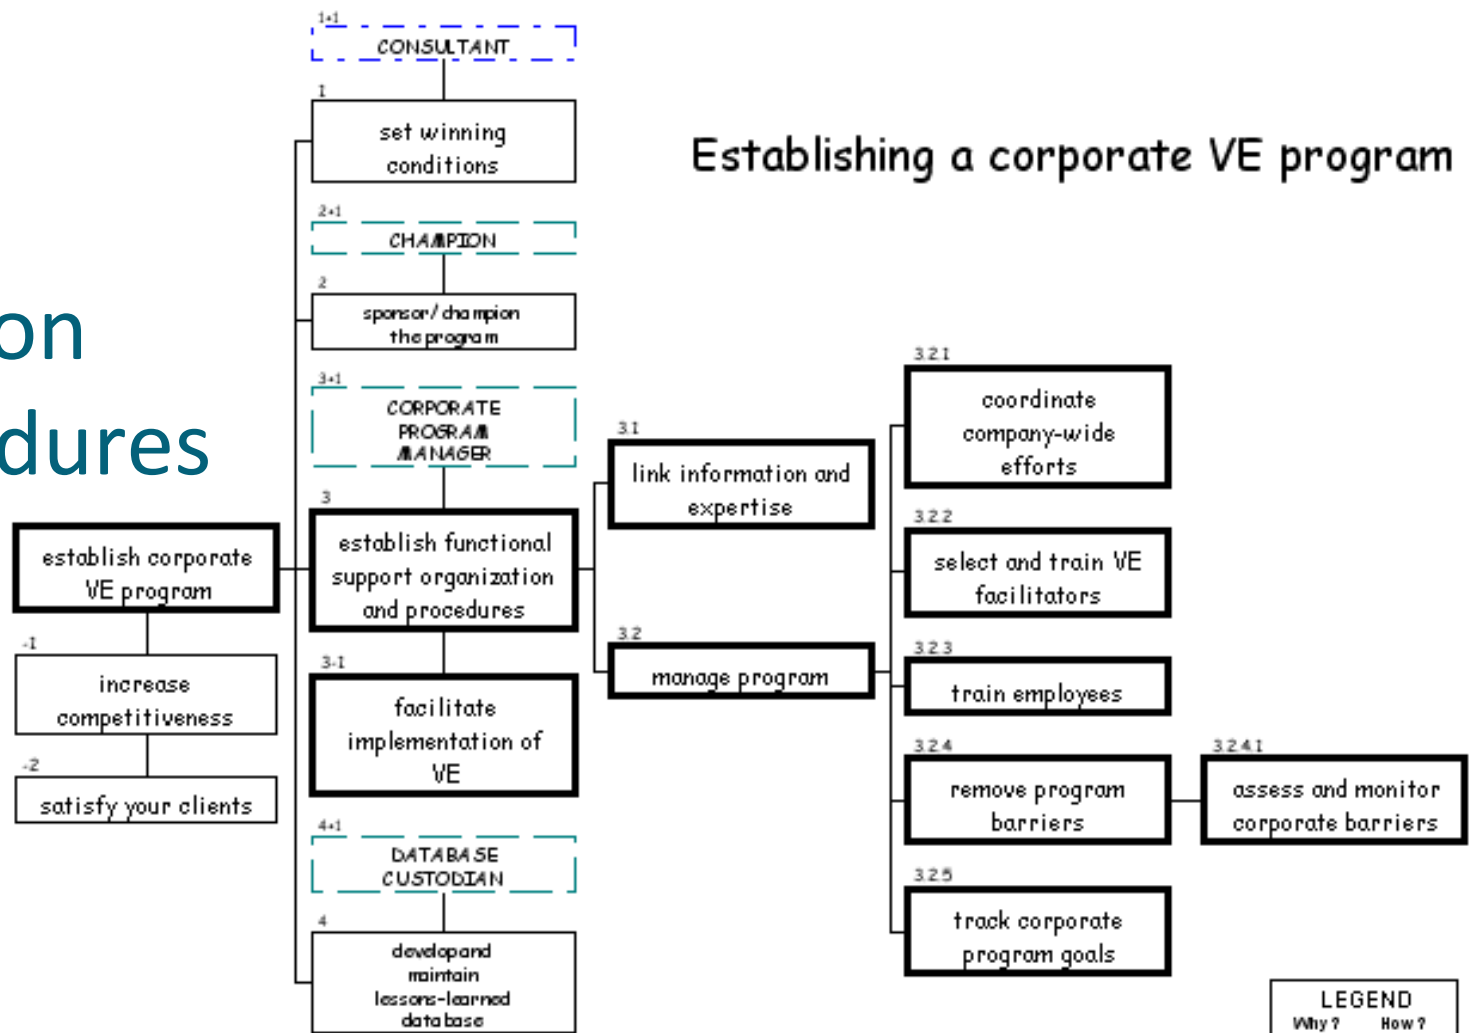

Sponsor the program

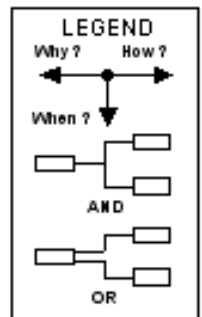

Establishing a corporate VE program

Establish organization and procedures

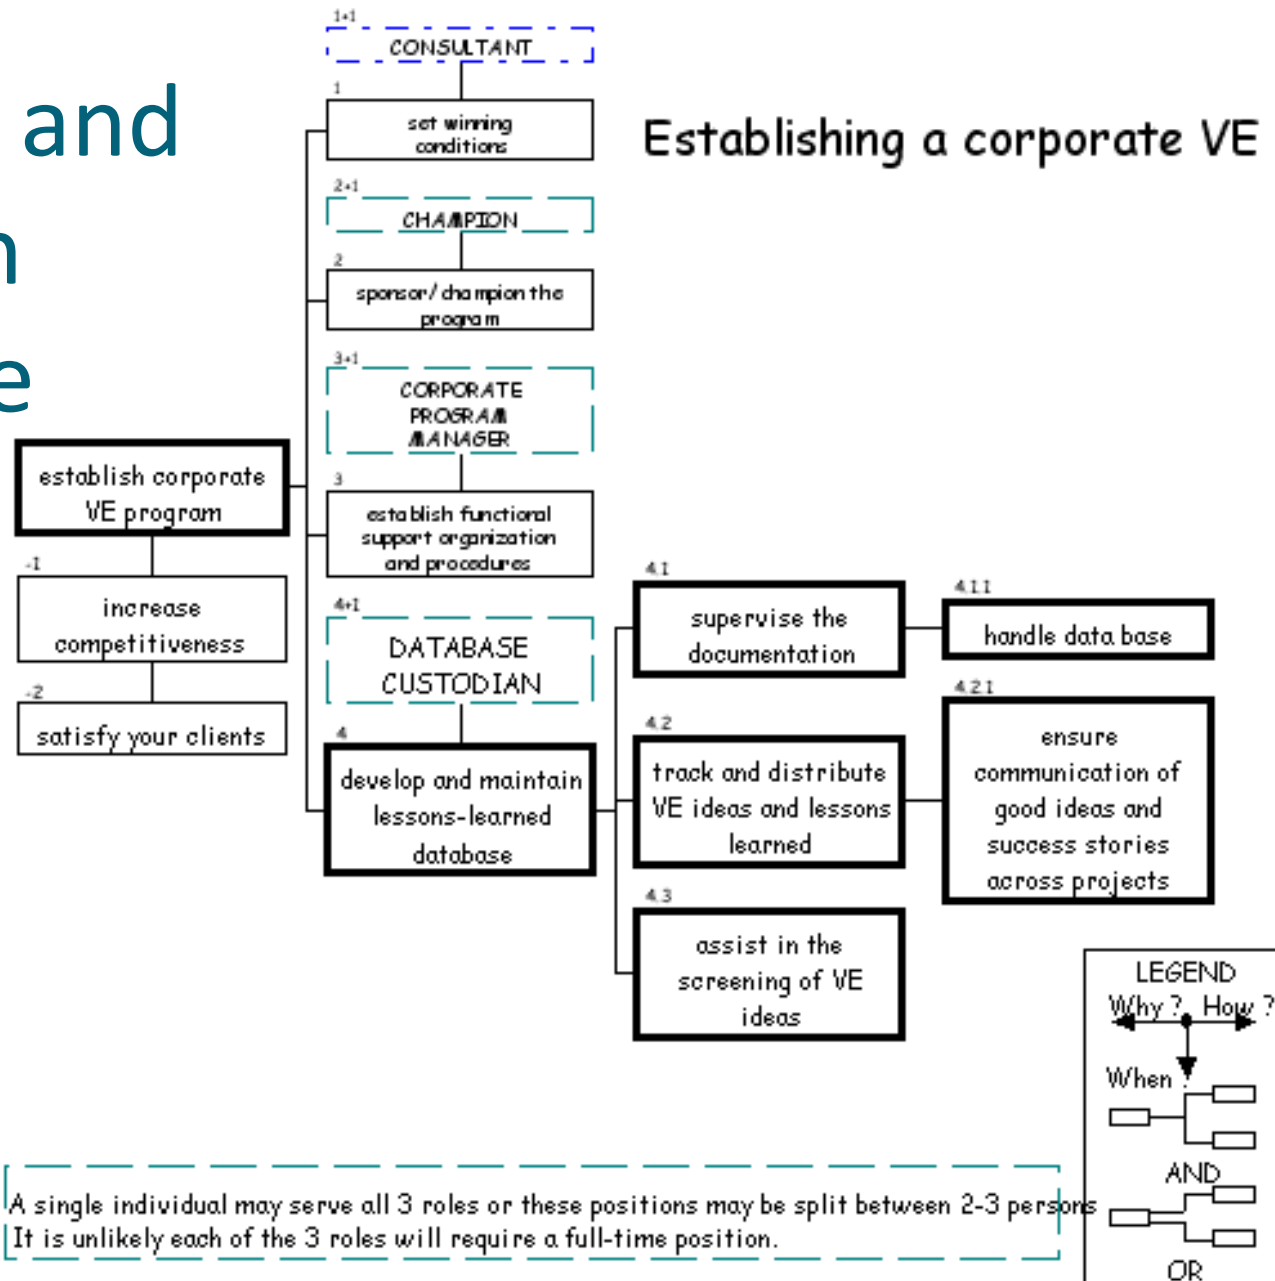

A single individual may serve all 3 roles or these positions may be split between 2-3 persons
 It is unlikely each of the 3 roles will require a full-time position.

Develop and maintain database

Establishing a corporate VE program

A single individual may serve all 3 roles or these positions may be split between 2-3 persons
It is unlikely each of the 3 roles will require a full-time position.

Conclusion

- Get help!
- Go to CSVA meetings and conferences!
- Believe in VE!
